⊙ INTRODUCTION & OBJECTIVE

I am a proactive and motivated person and passionate about web technologies. I have a clear vocation for interface or frontend web design and I consider myself a professional and perfectionist person. I can provide additional value having studied 3D and visual arts in the past.

Right now I am looking for new opportunities to grow and learn in the frontend developing sector.

⚙ SKILLS

B2 FCE (First Certificate Exam)

💼 EXPERIENCE

DEVELOPER FRONT-END FREELANCE
Nov 2023 — Present

— Barcelona

- Creation of my personal animated, modern and responsive **web development portfolio** with NextJS, Typescript and Tailwind. I also used Framer-motion for the animations:

  (my-portfolio-website-alex-sunyer.vercel.app)

  (github.com/Alexsunyer/My-portfolio-website)

- Full-stack project to create a sports footwear e-commerce with ReactJS and Typescript. I also used Sequelize, Redux and Sass:

  (github.com/Alexsunyer/BTRFOOTWEAR)

FULL-STACK DEVELOPER JUNIOR
Sep 2023 — Nov 2023

TEINOR.SA — Barcelona, Spain

- Development and design of a customized ERP for a jewelry company.

- Knowledge in the use of web development frameworks such as React

- Experience in developing back-end applications using technologies such as Node.js and Express to manage databases.

- Familiarity with version control using tools such as Git.

- Experience in developing automated tests using Cypress to ensure software quality.
